### **May 3, 2017: Petra**

Spend the day exploring Petra, the legendary city of the Nabataean people. Hidden in deep canyons south of the Dead Sea, this remarkable site was founded more than 2,400 years ago. Enter the ancient city through its primary entrance known as the Siq, a narrow chasm between naturally sculpted cliffs. This passageway, which could have been easily defended against attack by an invading army, ends at the glorious sight of the world-famous Treasury. Go on a guided visit of the expansive site, where hundreds of monuments were rediscovered only in 1812. Then enjoy time on your own to explore the Royal Tombs or the Monastery.

*Hotel:* Petra (B, D)

### **May 4, 2017: Jerash and Amman**

Check-out of your hotel in Petra and drive north. Visit one of the best-preserved cities of the Roman Empire, Jerash. Called the “Pompeii of the Middle East,” walk its colonnaded streets before continuing on to Jordan’s capital, Amman.
